

**GIANT CARDS PLEASE PARTICIPATE IN THIS SUCCESSFUL PROGRAM!**

**WHAT:** Giant Cards are plastic gift cards purchased in advance and used like debit cards at Giant. When purchased through the booster club, the club earns 5% on the value of the cards. The cards come in increments of \$50 and \$100 and are mailed directly to your door. For example, a \$100 gift card costs you \$100 and buys \$100 worth of groceries. Giant donates \$5 to the boosters.

**WHY:** The funds raised go to Marshall Activities and Sports Boosters which supports students in their activities and sports. If your students participate in any activities, clubs, DECA or IB, this is an easy way to help support them. If you buy any groceries at Giant, please consider ordering your cards through the boosters. It's easy!
